

**Would you like a position that would allow you to work from the comfort of your own home?**

We are seeking BC Radiologists to read **X-rays** (only) remotely during Daytime shifts. Choose between a traditional M-F schedule or a 7 day on, day off option. 8, 10, or 12 hour days available (depending upon state licensure.)

This is a 1099 independent contractor position offering a user-friendly PACS system and workstation to your home office, medical malpractice insurance, and a manageable volume of plain films.

All applicants:

- MUST be ABR or ABOR board certified;
- Live in the United States
- Hold an unrestricted Medical license and the credentials to become licensed in additional states.
- Candidates with licenses in PA, NY, NJ, FL or MI highly preferred.

**Warmest Regards,**

**Denielle Steck**
