

## Breast Imaging Conference Nov. 2020 Debate

Below are the key points that the Breast Imaging Planning Committee discussed regarding future plans for the Breast Imaging Conference in November 2020.

### Pros

- The meeting could be postponed until early 2021 instead of a virtual meeting
  - Feb-Mar 2021?
- Full 6 months away
  - No changes?
  - Utilize video for intl. speakers that may not be able to travel
- It COULD be virtual
  - Virtual option for those that are nervous to attend/make commitments

### Cons

- One speaker can NOT make it
  - National Speaker
  - Dr Debra Ikeda from Stanford
- Cannot be postponed to Fall of 2021
  - Would clash with the 2021 Fall event
- \$50% commitment regardless of cancellation
  - Approximately \$7,000?
