

Michigan Radiological Society  
Resident & Fellow Section  
Application for Executive Board Position

Prior to the yearly Michigan Radiological Society Resident and Fellows Conference, candidates will be asked to complete an application which will be anonymized. Each application will receive a numerical score (1-10) ranked by select members of the resident affairs committee. The average score will be utilized to rank candidates. The highest-ranking applicant from each program (which applied) will have the "first-choice" in position. The second-highest ranking applicant from each program will have the "second-choice" in position, and so forth. If an applicant's first-choice position has already been filled, they will fill their next choice position until no other positions are available. A second position may not be filled by a member of the same residency program until all residency programs are represented. If there is a tie in applicant score, the chair of the resident affairs committee will make the tie-breaking decision. All winners will be announced at the yearly Michigan Radiological Society Resident and Fellows Conference.

Please rank ALL positions you would be interested in filling.

|                   |   |
|-------------------|---|
| President-Elect   | 1 |
| Secretary         | 2 |
| Treasurer         | 3 |
| Webmaster         |   |
| Fundraising Chair |   |
| Resident Liaison  | 4 |
| Fellow Liaison    |   |

Why are you interested in joining the Michigan Radiological Society Executive Board?

Being a part of the Michigan Radiological Society Executive Board offers the opportunity to become more deeply involved with medical and resident education at a wider level, by attending meetings and having input into visiting lecturers and conferences. It would also provide the opportunity to learn and contribute to the implementation of radiology on a statewide level, a skill which would provide useful to whatever future practice I may end up in.

What qualifications do you have for the positions you are applying?

I am highly organized, and have held many leadership roles during my time in residency and medical school. Currently as a member of house staff council, I help coordinate monthly meetings and keep track of new updates and meeting minutes. Additionally, I help coordinate multiple lectures a month for medical students and provide hands on teaching during M3 and M4 rotations. I also served as a class representative during all four years of medical school where I helped coordinate guest lecturers, review sessions, and discussed with professors and deans any updates from a student prospective.

What ideas do you have for MRS RFS this year?

I would like to see the reimplementation of visiting lecturers, likely in a virtual format to allow for ease of social distancing and convenience for the lecturer. Additionally, I would like to find ways to increase medical student recruitment from early on in medical school via methods like attending specialty career fairs and inviting students to annual conferences.
