

Who we are: Advanced Radiology Services is one of the largest physician-owned radiology practices in the country. Our growing practice includes 175 radiologists, 38 advanced practice providers, and 130 employees providing administrative support in our wholly owned subsidiary STARS. We value diversity on our team and promote a culture of inclusion.

What we do: We provide services to more than 60 different sites across the state of Michigan. ARS is the exclusive radiology provider to McLaren Greater Lansing. McLaren partnered with Michigan State University to consolidate its two current Lansing hospital facilities into a new health care campus at the MSU Foundation's University Corporate Research Park, located between Collins Road and US 127. The campus houses a 240-bed state-of-the-art hospital, cancer center, ambulatory, and other facilities to support health care delivery, educational opportunities, and medical research. When fully complete, this comprehensive health care campus will be home to over 1,000 physicians, researchers, educators and other members of the academic and medical team. The new hospital will open in March of 2022.

What we are looking for: We are seeking a full time Lansing based **Breast Imager** to work with other breast imagers and support this expansion. The position will work in Lansing primarily but have occasional off site coverage at Memorial Healthcare Owosso and Sparrow Eaton Hospital. This is a partnership track position. Our standard schedule includes 39 work weeks, 13 weeks' vacation, and 11 weekends. We also have a weekday only option with 5 weeks' vacation.

Responsibilities:

- Digital mammography, breast MRI, tomosynthesis and breast ultrasound
- Stereotactic, ultrasound-guided and MRI-guided biopsies

Requirements:

- Proficient in all aspects of breast imaging including breast procedures.
- American Board of Radiology certified or Board-Eligible
- Breast imaging fellowship preferred

Why is our practice unique? ARS is a 100% physician owned and managed practice. We are committed to remaining independent. We are looking for entrepreneurial minded physicians who value involvement in decision making and developing our business strategy. Participation in section, committee and board meetings is not required but welcomed from day one for on-site and virtual employees. While we are an independent private practice, some of our physicians practice with an academic focus. In affiliation with Michigan State University College of Medicine, our radiologists have opportunities to teach and mentor residents and pursue research if desired. Due to the size and breadth of the healthcare systems we support, diagnostic volume and variety of clinical exposure is unrivaled.

Why do you want to live here? Lansing, the lively state capitol, is home of the Big Ten school Michigan State University. This college town is well-known for friendly people, a diverse population and a great quality of life. Recreational opportunities abound with fun eateries, a growing craft beer scene and Division 1 sporting events at MSU. Nearby Okemos was rated #13 in Niche's 2020 Best Places to Live in America list for its housing, top rated schools and family friendly atmosphere.
