

Who we are: Advanced Radiology Services is one of the largest physician-owned radiology practices in the country. Our growing practice includes 214 radiologists, 38 advanced practice providers, and 180 employees providing administrative support in our wholly owned subsidiary STARS. We value diversity on our team and promote a culture of inclusion.

What we do: We provide services to more than 60 different sites across the state of Michigan. ARS is the exclusive radiology provider to Bronson Methodist Hospital in Kalamazoo. Bronson is a 415 bed, non-profit teaching hospital that serves a 9-county region in southwest Michigan and northern Indiana. Our comprehensive Interventional Radiology service performs over 30,000 procedures a year.

What we are looking for: We have a position currently available for an **Interventional Radiologist** in Kalamazoo. This is a partnership track position and will join four other full time IR physicians.

Responsibilities:

- These positions would be greater than 90% interventional radiology with some general diagnostic radiology responsibilities.
- The IR practice covers a wide spectrum of inpatient and outpatient interventional procedures, including interventional oncology, vertebral augmentation, TIPS, ablations, trauma embolization, GIB embolization, PAE, pulmonary thrombectomy, venous intervention, central venous access including implanted ports, peripheral vascular disease, biopsies, pain management procedures, diagnosis/treatment of vascular malformations, etc.

Requirements:

- Certified by the ABR or AOBR
- Completion of interventional radiology fellowship or equivalent experience

Why is our IR practice unique? ARS is a 100% physician owned and managed practice and fully committed to remaining independent. We are establishing a state wide IR service leveraging our DR (distributed radiology) platform. This allows us to interact with colleagues and provide expertise in all locations. Our growing practice values IR and provides dedicated clinic time and support for physicians. Our clinic has 7 full time registered nurses and 3 clinical/administrative support staff to assist our patients 24/7. Additionally we have an outstanding team of Advanced Practice Providers rounding and performing minor procedures at our hospitals throughout the state. We have quarterly peer review meetings to support physicians and promote continued learning. We now have an interventional radiology residency program in Grand Rapids which will allow our physicians opportunity for teaching and research if desired.

Compensation/Benefits: Our physicians pay nothing for medical/dental/vision coverage. We also contribute the maximum amount allowed to the 401K plan. We offer 13 weeks' vacation as well as abundant opportunities to pick up additional shifts and increase compensation. Physicians work 39 weeks and 11 weekends with a fair and competitive call schedule. We are continually striving to improve the work/life balance for our physicians.

Why do you want to live here? Kalamazoo is located midway between Chicago and Detroit and home to Western Michigan University. Largely due to its college-town influence, Kalamazoo has a vibrant and progressive downtown with great eateries, eclectic shops and a nationally known craft beer industry. With a rich and diverse community culture, Kalamazoo offers historic neighborhoods, outstanding museums and theatres, and many gorgeous lakes. Kalamazoo is also only 35 miles from the beautiful shores of Lake Michigan. Finally, if your kids are headed to college at some point, you should know about the *Kalamazoo Promise*!
