

Who we are: Advanced Radiology Services is one of the largest physician-owned radiology practices in the country. Our growing practice includes 214 radiologists, 38 advanced practice providers, and more than 180 employees providing administrative support in our wholly owned subsidiary STARS. We value diversity on our team and promote a culture of inclusion.

What we do: ARS provides services to more than 60 different sites across the state of Michigan. We are the exclusive radiology provider to Spectrum Health's Betty Ford Breast Care Services. American College of Radiology has designated Betty Ford as a *Breast Imaging Center of Excellence*. We are accredited by the National Accreditation Program for Breast Centers. Only the top five percent of US breast centers have this NAPBC accreditation which means we can deliver the best care in diagnosing and treating breast cancer. We perform more than 95,000 breast imaging studies and diagnostic services annually.

What we are looking for: We are seeking a **Breast Imaging Radiologist** to join our team of clinical experts in Grand Rapids, Michigan. This team includes six breast surgeons. This is a full-time partnership track position and will provide services at Betty Ford Breast Care Services in Grand Rapids primarily with occasional rotations in Big Rapids, Greenville or Zeeland. Standard track physicians work 39 weeks and 11 weekends. We also offer a no nights or weekends/breast only partnership track option.

Responsibilities:

- Interpret digital mammography, breast MRI, tomosynthesis and breast ultrasound
- Perform stereotactic, ultrasound-guided and MRI-guided biopsies

Requirements:

- Candidates must be proficient in all aspects of breast imaging including breast procedures
- OB ultrasound and general diagnostic radiology a plus
- American Board of Radiology or AOBR certified
- Completion of a breast imaging fellowship or equivalent experience

Why is our practice unique? ARS is a 100% physician owned and managed practice. We are committed to remaining independent. We are looking for entrepreneurial minded physicians who value involvement in decision making and developing our business strategy. Participation in section, committee and board meetings is not required but welcomed from day one. While we are an independent private practice, some of our physicians practice with an academic focus. In affiliation with Michigan State University College of Medicine, our radiologists have opportunities to teach and mentor residents and pursue research if desired. Due to the size and breadth of the healthcare systems we support, diagnostic volume and variety of clinical exposure is unrivaled.

Compensation/Benefits: We offer a competitive salary/bonus and opportunities for additional shifts. Our physicians pay nothing for medical/dental/vision coverage. We also contribute the maximum amount allowed to the 401K plan. We offer a generous vacation package and we are continually striving to improve the work/life balance for our physicians.

Why do you want to live here? Grand Rapids has evolved from its 19th-century roots as a hub of furniture production to the modern-day metro area that attracts college students and young families with its rapidly expanding health care system, award winning schools, an overall low cost of living and a diverse population. Grand Rapids is a scenic area with an affinity for public art. Its craft brewery scene is one of the best in the nation and is home to one of America's finest culinary schools with an astonishing variety of restaurants with fresh, farm-to-table cuisine for every taste and budget.

Grand Rapids is proud of its traditional museums with substantial art collections, and is host to a vibrant performing arts community, anchored by three well-regarded regional theaters, professional ballet, a Grammy-nominated symphony and Broadway Grand Rapids - bringing productions to inspire audiences virtually every weekend. The city is home to a minor league baseball team, the "West Michigan Whitecaps" and the "Grand Rapids Griffins" AHL hockey team, both affiliates to professional teams in Detroit.

We are two hours from Detroit, a 45 minute drive from the beautiful beaches of Lake Michigan and home to many beautiful lakes only minutes away. Midwest friendliness is no exaggeration in Grand Rapids, which, despite being the second largest metro area in Michigan, exudes small-town warmth.
