

## **VASCULAR INTERVENTIONAL RADIOLOGIST**

Large private practice group of 45 radiologists is seeking a Board Certified/Eligible Interventional Radiologist to join the IR Section.

### **Details**

- Seeking Board Certified/Eligible Interventional Radiologist to join our section of 7 interventional radiologists
- The IR section provides 24-hour coverage at 4 hospitals in the Southeast Michigan, suburban Detroit area
- Advanced practice providers (PAs/NPs) and/or residents provide clinical support at all sites
- At least 80% IR
- IR caseload includes the full range of vascular and nonvascular intervention (arterial and venous interventions including good volume of PAD, DVT/PE, complex venous intervention; full scope of interventional oncology; percutaneous biliary/urologic intervention; large pain management practice; bread and butter IR including biopsies and drainages; etc.)
- Progressive, clinically oriented IR section, constantly seeking opportunities to broaden scope of practice
- Call responsibility is shared evenly among the section
- Approximately 20% diagnostic responsibility; applicants should be comfortable interpreting a wide range of diagnostic studies (CT, US, general X-ray, etc.)
- Ample opportunity for teaching; practice supports a diagnostic radiology residency

### **Benefits**

- Top tier salary with opportunity for internal diagnostic moonlighting
- Partnership track position
- Excellent benefits including fully funded profit-sharing plan, CME, auto allowance, and more

To apply, please send CV to Dr. Mina Zaki [mina.zaki@beaumont.org](mailto:mina.zaki@beaumont.org) and/or Terri Castle [tacastle@hbws.com](mailto:tacastle@hbws.com).
