

Remote Night Shifts - Locums or Permanent

A long-standing and stable private group in the metro Detroit area is looking for remote STAT imaging evening and night shift coverage. Typically, these are four-hour shifts, between the hours of 5pm-1am. The group covers a hospital with a 24/7 trauma team. Both full-time/permanent and locum tenens opportunities are available.

Locum tenens providers will be paid a competitive hourly rate and receive complimentary medical malpractice coverage. Employed providers can expect to receive an offer of a competitive salary, depending on modality, experience, etc. Partnership track opportunities are available, if desired. Additional income available through internal moonlighting, OT, etc. Flexible scheduling. Offering a solid benefits package which includes Blue Cross Blue Shield Benefits, Schwabb Pension/Profit Sharing Plan, 401K, Gas and Phone allowance, CME time off and up to \$10K annually, a generous PTO package, and more.
