Vision Statement

The Michigan Radiological Society Foundation was established in 2021 for the purpose of supporting the educational and charitable interests of the Michigan Radiological Society.

The Michigan Radiological Society exists as a state chapter of the American College of Radiology (ACR). The MRS serves more than 1,000 radiologists, radiation oncologists, and medical physicists throughout the State of Michigan and is committed to advancing the science, education, and practice of radiology by:

- **Improving patient care and access to radiologic imaging services**
 - **Encouraging fellowship and networking**
 - **Providing political advocacy**
 - **Establishing medical and ethical standards**
 - **Continuing education opportunities**
- 

Mission Statement

The Michigan Radiological Society Foundation is dedicated to carrying out the educational and charitable missions of the Michigan Radiological Society.
