

Michigan Radiological Society
Resident & Fellow Section
Application for Executive Board Position

Michigan Radiological Society Resident and Fellows Conference: Application and Selection Process

- Prior to the yearly conference, applicants must complete an anonymized application.
- The resident affairs committee will rank each application using a numerical score (1-10).
- The average score will be used to determine the candidate's rank.
- The highest-ranking applicant from each program will get their "first-choice" position, and so on.
- If a position is already filled, the applicant will choose their next preferred option.
- A second position may not be filled by a member of the same residency program until all programs are represented unless no other programs have applied.
- In the event of a tie, the chair of the resident affairs committee will make the final decision.
- All winners will be announced at the yearly conference.

Please rank ALL positions you would be interested in filling.

President-Elect	1
Secretary	2
Treasurer	3
Webmaster	

Fundraising Chair	5
Resident Liaison	4
Fellow Liaison	

Why are you interested in joining the Michigan Radiological Society Executive Board?

Recently as a medical student I had the privilege of leading the Pre-Radiology ACR RFS Advocacy subcommittee as their advocacy liaison, a position I was elected to in March of 2023. As an active member of the ACR medical student subcommittee, I utilized my prior experience in business management and investment banking to organize our 100+ members into regional subdivisions, recruit volunteer leadership on the regional level, and have speakers present on advocacy-related topics who were current members of the ACR RFS board. I would love to transition during residency to becoming an active resident-leader on the local state level and serve the community that I will be practicing in in the future.

What qualifications do you have for the positions you are applying?

Please see resume attached.

What ideas do you have for MRS RFS this year?

My goals for 2024-25 are to unite the body of trainees when it comes to representation not only at state meetings but at hearings and other pivotal state legislative events. I hope to utilize my personal and professional network to continue building relationships with politicians at the state level and those in the military / veteran community. More specifically, I hope to coordinate a state-wide volunteer group of peers to present at and sponsor monthly meetings where we discuss local legislation underway and ways to become involved. I hope to further organize this group into subcommittees based on school / hospital / city and create 1. a formalized mentorship program and 2. local membership meetup groups with radiologists advanced in their career and those just starting out. Finally, I hope to build a model that other states can replicate for their trainee programs.
