Application for Executive Board Position

Michigan Radiological Society Resident and Fellows Conference: Application and Selection Process

- Prior to the yearly conference, applicants must complete an anonymized application.
- The resident affairs committee will rank each application using a numerical score (1-10).
- The average score will be used to determine the candidate's rank.
- The highest-ranking applicant from each program will get their "first-choice" position, and so on.
- If a position is already filled, the applicant will choose their next preferred option.
- A second position may not be filled by a member of the same residency program until all programs are represented unless no other programs have applied.
- In the event of a tie, the chair of the resident affairs committee will make the final decision.
- All winners will be announced at the yearly conference.

Why are you interested in joining the Michigan Radiological Society Executive Board?

I am applying in an effort to be more involved in resident activities at a state level so that I can make a difference for my program and co-residents. Additionally, I'd like to make new professional relationships with residents and faculty at other institutions.

What qualifications do you have for the positions you are applying?

Since graduating medical school, I have served as the historian (effectively the secretary) for RadDiscord\* during the 2022-2023 Academic year. I am the current RSNA Representative for my residency program as well as one of two House Staff Council representatives. Throughout undergrad and medical school, I have held multiple leadership positions. Overall, I feel qualified for one of the above MRS RFS roles and I hope to make a positive difference for the organization, if selected.

\*RadDiscord is an online platform for radiology resident education with thousands of members from all over the world.

What ideas do you have for MRS RFS this year?

I'd like to have an informal meet-and-greet event for residents across the state to connect (outside of the annual RFS meeting).
