

Michigan Radiological Society
 Resident & Fellow Section
 Application for Executive Board Position

Michigan Radiological Society Resident and Fellows Conference: Application and Selection Process

- Prior to the yearly conference, applicants must complete an anonymized application.
- The resident affairs committee will rank each application using a numerical score (1-10).
- The average score will be used to determine the candidate's rank.
- The highest-ranking applicant from each program will get their "first-choice" position, and so on.
- If a position is already filled, the applicant will choose their next preferred option.
- A second position may not be filled by a member of the same residency program until all programs are represented unless no other programs have applied.
- In the event of a tie, the chair of the resident affairs committee will make the final decision.
- All winners will be announced at the yearly conference.

Please rank ALL positions you would be interested in filling.

President-Elect	1
Secretary	6
Treasurer	4
Webmaster	2

Fundraising Chair	5
Resident Liaison	3
Fellow Liaison	7

Why are you interested in joining the Michigan Radiological Society Executive Board?

MRS was my steppingstone into radiology, and I attribute my current position as a radiology resident at Henry Ford from MRS's mentors. I want to take a larger role in the organization to both advance the presence of radiology in Michigan, and to out-reach to potential radiologists so they can find their passion in this amazing field.

What qualifications do you have for the positions you are applying?

1. Michigan Radiological Society member since 2020
2. Presented at the Regional Michigan Radiological Society Student Conference 2020
3. Michigan Radiological Society Radiology Safety Committee Representative for Henry Ford Hospital
4. Michigan Radiological Society Student Committee representative in 2020-2021
5. Produced "Life in Radiology" video for MRS

What ideas do you have for MRS RFS this year?

I believe mentorship helps attract passionate candidates into radiology. Unfortunately, taking the first step can be difficult either due to access or it may feel intimidating. I would like to help streamline this process with working with the webmaster to have a web-page that helps network potential radiology candidates, and current candidates with each other. I plan to continue to foster MRS's media presence by such as bolstering MRS's LinkedIn footprint.
