

Grand Traverse Radiologists, PC (GTR)

Live and work in a top vacation destination!

No Backlogs

Established in 1938, our physician owned and led private practice is excited to announce that we are recruiting top radiologists to meet expansion needs of our exclusive long-standing facility contracts. Headquartered in beautiful Traverse City, Michigan, our group enjoys a great work-life balance practicing with exceptional colleagues.

Our expanding private practice is hiring board certified/eligible radiologists with sub-specialization in the following areas: **Interventional Radiology, Women's Imaging, General Diagnostic and Body Imaging/Cross Sectional**

Why GTR? A group with more "life" in the work-life balance.

Whether you have just completed your fellowship or are mid-career, in GTR you will find a solid, financially stable, well respected, and supportive work environment utilizing top technology. GTR is dedicated to keeping the worklists current without backlogs.

In addition to competitive wages, we provide:

- Life-long learning opportunities
- Relocation assistance
- Exceptional insurance programs
- Retirement program options
- Professional liability insurance
- Time off for you and your family to enjoy the region

By the numbers:

- Serving 540k population
- Providing >565k image services annually (and growing)

- Serving 8 hospitals (and growing)
- 1000 regional physicians and YOU!

Where better to work and enjoy a great lifestyle? Nowhere.

After a rewarding day at work, nature's paradise awaits right outside your door and more. Located near the 45th parallel our "gem" is well known as one of America's bucket list destinations. Don't just take our word for it, see what others think!

"100 Best Destinations Around the World in Four Seasons," *National Geographic*

Good Morning America viewers voted the Sleeping Bear Dunes National Lake shore as **"The Most Beautiful Place in America"**.

Midwest Living named Traverse City the **"Greatest Town in the Midwest."**

Whether you choose to live near the action in downtown, in a lakefront home on the gorgeous Old Mission or Leelanau Peninsulas, or somewhere in between, the Grand Traverse Region affords its residents with a diverse scope of living options and much, much more.

Families can choose among award-winning, nationally recognized schools focused on college prep, career-tech, the fine arts, and more. A truly wonderful place for both families and single professionals.

What northern Michigan's largest and leading healthcare system is saying.

"Excellence in health care happens when the right people are in the right place using the *right tools* doing the right thing. Our relationship with GTR over the past 80 years exemplifies how working together we can achieve this. Our combined commitment to quality drives the success of our System's imaging product line!"

Ed Ness, President, Munson Healthcare

What our partners are saying.

"The GTR environment promotes high quality care and quality of life. We are fortunate to be able to live and work where other people vacation. "

"Possibly the most equitable, fair-minded medical group still in existence. First-year partners have the same standing as a twenty-year partner."

"Well run organization which allows us to do what we do best...interpret high end imaging!"
