

Kavita H. Rajkotia, MBBS, M.D.
Clinical Assistant Professor, Radiology
Division of Emergency Radiology
University of Michigan Health System
1500 East Medical Center Drive, TCB1-132G
734-936-0019 - karajkot@med.umich.edu

Education and Training

Education

08/1990-03/1996	MB BS, Baroda medical college, MS University, Vadodara, Gujarat
07/1996-07/1999	MD, Baroda medical college, MS University, Vadodara, Gujarat

Postdoctoral Training

07/2001-06/2002	Residency, Preliminary Medicine, St. Francis Hospital, Evanston, IL
07/2004-06/2006	Residency, Radiology, Georgetown University Hospital, Washington, DC
07/2006-06/2007	Clinical Fellow, Cross Sectional Body Imaging, John Hopkins Hospital, Baltimore, MD

Certification And Licensure

Certification

12/1999-Present	MS University, Radiodiagnosis
01/2017-Present	The American Board of Radiology, Diagnostic Radiology

Licensure

04/2021	Michigan, DEA License
01/2022	Michigan, Medical License
01/2022	Michigan, Controlled Substance

Work Experience

Academic Appointment

07/2006-06/2007	Instructor, John Hopkins University, Baltimore
08/2007-06/2017	Assistant Professor, Michigan State University, Flint Area Medical Education, Flint
08/2019-Present	Clinical Assistant Professor in Radiology, University of Michigan Health System, Ann Arbor, MI

Administrative Appointment

04/2010-02/2011	Associate Program Director, Was helping the Program director when residency rotating at Hurley medical center, with resident curriculum and new resident recruitment, Diagnostic Radiology, Michigan State University Flint Area Medical Education, Flint
03/2011-06/2017	Program Director, was responsible for continued ACGME accreditation, resident education and curriculum, development and recruitment, Michigan State University Flint Area Medical Education, Diagnostic Radiology, Flint
10/2016-07/2018	Radiologist, Reading Inpatient, Outpatient and ER cases, Hills and Dales general Hospital, Cass City

Clinical Appointments

10/2007-02/2010	Radiologist, Reading Inpatient, outpatient and ER cases, Marlette Regional Hospital, Marlette
10/2007-06/2013	Radiologist, Reading Inpatient, outpatient and ER cases, Harbor Beach Community Hospital, Harbor Beach
10/2007-02/2018	Associate Radiologist, responsible for reading cases during routine hours and Emergency radiology, Hurley Medical Center, Flint
03/2018-07/2019	Radiologist, Reading Inpatient, Outpatient and ER cases, Ascension St. Mary's Hospital, Saginaw

Private Practice

10/1999-12/1999	Radiologist, Consultant full time Radiologist at and outpatient center, Kaka-Ba-Diagnostic Centre, Hansot, Bharuch
10/2007-02/2018	Radiologist, Reading Inpatient, outpatient and ER cases, Memorial Healthcare, Owosso
03/2018-06/2019	Radiologist, Reading inpatient, outpatient and ER cases, Advanced Diagnostic Imaging, PC, Saginaw, MI

Gaps

08/1999-09/1999
01/2000-05/2001

Clinical Track Scholarly Contribution

Clinician-Educator

I have been a Program director for MSU-FAME radiology and involved in teaching. I find this very rewarding and satisfying . I want to continue doing this.

Teaching

Teaching Activity

Regional

01/2007-01/2007	Michigan Radiology Society Saginaw Valley Section (SVS), "CT Colonography and Cardiac CTA"
01/2013-01/2013	Michigan Radiology Society Saginaw Valley Section (SVS), "Post operative Orthopaedic Imaging"

10/2023-10/2024 I was the Instructor for Aorta and Biliary US workshop sessions.
The students were split into small groups of about 5-6. I was given a teaching packet of materials to review with the students.

We were working with embedded simulation participants (ESPs - models!) who are medical students and staff members.

Regarding flow, for most days, students will stay with me, same instructor for the entire session (except the procedure day). I had to demonstrate the scans we cover that day, including the relevant anatomy. Once I demonstrate how it's done, every student should practice obtaining the images for themselves on our ESPs.

The objective of these sessions is to get students comfortable with using the ultrasound machines and giving them a first exposure to these studies., Michigan Medicine, Diagnostics & Therapeutics Branch Simulation Teaching Sessions"., Instructor

Memberships in Professional Societies

2002 - Present	Radiological Society of North America
2002 - Present	American Roentgen Ray Society
2007 - Present	American Association for Women Radiologists
2008 - Present	Member, American College of Radiology
2015 - Present	Association of Indian Musculoskeletal Radiologists
2021 - Present	Member, American Society of Emergency Radiology(ASER)

Committee/Service

National

2021 - 2022	Panel member for ACR Appropriateness criteria, ACR Appropriate criteria for Chronic shoulder pain, American college of Radiology, Member, Helped in revising the criteria for Chronic Shoulder pain
2023 - Present	Nominating Committee, Michigan Radiological Society, Member

Volunteer Service

Volunteer

2012 - 2014	Kindergarten Teacher, Chinmaya Mission, Flint, MI, Talk basic values of life with several stories as example from Hindu Mythology
2016 - 2017	Member, Flint, MI, I was apart of a 12 person team who organized 7-8 cultural events through out the year for the members of India Club (150-200 families). We were responsible for selecting a location for large gatherings with food, entertainment, usually celebrating a few festivals such as Diwali, Christmas etc. and finally cleanup after the events
2018 - Present	Member, Chinmaya Mission, Flint, MI, Humanitarian committee, Myself with a group of members have given voluntary services and help at the soup kitchen in Flint, beautification projects of a community place, collecting toys for tots for foster kids for Christmas, organizing fundraisers recently for COVID affected families and helping with Boys and girls club with school supplies etc
