

Drs. Harris, Birkhill, Wang, Songe and Associates, P.C.

Job Title: Body Imaging Radiologist – Private Practice | Hybrid (50% Remote) | Southeast Michigan

Location: Detroit, MI Suburbs (Hybrid On-site/Remote)

Position Type: Full-Time

Practice Setting: Physician-Owned Private Practice

Drs. Harris, Birkhill, Wang, Songe and Associates, P.C. (HBWS) is a physician-owned private practice of 45 radiologists serving Southeast Michigan. We are seeking a fellowship-trained Body Imaging Radiologist to join our growing team to meet increasing demand. This is a 12-month partnership-track opportunity offering private practice compensation and benefits, virtually 100% body imaging case mix, minimum 50% remote work, and no procedural requirements — all within a collegial, academically engaged environment.

About the Practice:

- Longstanding, independent group with 45 radiologists
- Covers multiple hospitals and outpatient centers across Southeast Michigan
- Democratic, physician-led partnership model
- Based in suburban Detroit: excellent schools, reasonable cost of living, and access to culture, dining, and nature

Position Highlights:

- No procedures required
- Minimum 50% remote work
- On site work supported by residents, APPs, and daytime telephone service
- Train residents and teach medical students through local academic affiliations
- Outstanding clinical variety and case exposure
- No shortage of volume — consistent demand and diverse pathology
- Internal moonlighting opportunities are second to none: per-click moonlighting is available to radiologists at ANY TIME including during scheduled shifts once shift responsibilities are fulfilled. Additional shift-based moonlighting also available.
- 12-month partnership track with high long-term earning potential
- 10 weeks vacation, with ability to increase through moonlighting

Compensation & Benefits:

- Competitive base salary, supplemented with regular bonus, internal moonlighting, and benefits
- Total compensation exceeds \$750,000 annually
- Participation in internal moonlighting can substantially increase earnings

Best-in-Class Benefits:

- Fully funded retirement plan (\$70,000 in 2025)
- \$14,000 CME fund for qualifying expenses
- \$0 employee contribution to industry best health insurance (including Rx)
- Licensure, malpractice, life insurance, short-/long-term disability, and professional society memberships fully covered
- Qualified candidates with immediate availability are eligible for a sign-on bonus
- Relocation assistance also available

Candidate Requirements:

- Board-certified or board-eligible in Diagnostic Radiology
- Fellowship training in Body Imaging Radiology
- Eligible for unrestricted Michigan medical license
