Physician Year 1	16	17	+1
Physician Year 2	15	18	+3
Physician Year 3	15	16	+1
Physicist Full	13	14	+1
Physicist Year 2	1	1	—
Physicist Year 3	0	1	+1
Prospective Members	823	801	-22
Medical Students	182	180	-2
Residents	276	325	+49
Fellows	19	8	-11
Member-in-Training Physicists	2	2	—
Retired Physicists	8	8	—
Retired Physicians	197	209	+12

Membership Development

Over the summer, an extensive review of available radiologist data was completed to better identify potential MRS members. After reviewing, comparing, and narrowing the data, **more than 1,000 potential nonmembers** were identified. Due to the volume of information, additional review and verification will be needed before targeted membership outreach begins.
